Payment is due in my hands 7 days before the arrival date*- first paid, first on the list. We can only bring up 80 packages at a time so get your checks in early to assure an arrival date. *At least by then- but shipments fill fast! I need the payment in my hands before you can be on a list!!(Even if you emailed me a nebulous "I want bees this year"- you're not on the list; and no, I don't have extra packages just sitting around to be sold- ORDER THEM!
